Marathon 2.8 Wind Turbine Fair Special

Complete Turbine Package Including Installation

(2.8) KW Turbine with 40' Guy Wire Tower

\$13,296.00*

*Everything is included in this package, Earth Tech Turbine and pole, and SMA Inverter. Solar hybrid solutions, and battery backup systems may be added at additional prices. Professionally installed with permits, budgeting \$3,999.00 for installation. Every installation is unique and your individual installation will be priced after site evaluation. Price reflects 30% Federal Tax Credit of \$5698. Actual complete purchase price is \$18,995. TX Wind and Solar, LLC is an authorized Earth Tech Installer. Price subject to change, site evaluation is required. Go to our website at www.txwindsolar.com or call us at 972-757-9463 for scheduling your free site evaluation and written quote. Prices expire Oct. 19, 2009. A \$500 Security deposit ensures your State Fair Special Pricing.
